

HAPPENINGS IN

ASAROKA LUTHERAN SECONDARY SCHOOL, 2017

IN THIS ISSUE: Ekime thanked, SDAs give food, Games with Rintebe, Micro teaching UoG, Girl's dorm opening deferred, thanksgiving differed to 8th of June

EKIME THANKED

Former School Board Chairman Ekime Gorosahu was fare-welled and thanked by the school; student body, ancillary staff and teachers. Ekime is contesting for the Daulo Open seat. The school d wished him good luck and thanked him for things he had done while being the Chairman of the school.

Ekime said that if he wins, the school will be given top priority. He also said that after the election student's studies will not be disturbed and students should continue to come to school.

SDAs GIVE FOOD

The Seventh-Day-Adventist church members of Daulo surprised the school by bringing in truckloads of food stuff.

The food stuff was divided among

teachers and students. A carton of lamp flabs given was cooked for the students. This kind of 'giving' spoke a lot to many. Their giving was a show of their love and faith in God. A 'thank you' letter was sent to this group.

GAMES WITH RINTEBE

The return match between Asaroka and Rintebe occurred on 27th May. By the way teachers from both schools commented it appears the sports activities between these 2 schools is needed activity by teachers after spending many hours in classrooms. Mr. Hasu and Mr. Waukauve said that this tradition should continue. They also said both schools combined should organize such games with other schools within EHP.

MICRO TEACHIG -UoG

A week of Micro teaching from the University of Goroka students was conducted at the school. UoG students do a bit of teaching, lesson observations etc., before they go for their Teaching Practice (TP). The Admin may have provided a little gathering as a farewell.

GIRL'S DORM OPENING DEFERRED

The new girl's dorm opening was deferred by Hon. Bire Kimisopa. A date is yet to be marked, which the MP for Goroka Open is yet to set and give.

SCHOOL THANKSGIVING MOVED

Our 'thanksgiving' date has been also moved to the 8th of June, 2017. Many events occurred on the previous date so by popular demand it has been moved.

We thank teachers who have shown interest and took upon themselves leading roles in organizing with their classes and family. We apologize for the inconveniences caused.

On the 8 of June, which is on a Thursday will happen at the assembly area during Bruch time. It is expected to be a day of thanking our Great Provider and Sustainer. We will thank Him in ways we can as long as there is willingness. God bless us all.
