

GOLDEN GROVE LUTHERAN CHURCH

Life in the Vine

THE MAGAZINE OF GOLDEN GROVE LUTHERAN CHURCH

APRIL 2022 | VOLUME 28, ISSUE 1

What is happening behind those doors? - pg. 14

The church front doors used to open outwards. They were changed to open inwards during the 2017 Café/Office renovation so that the crosses would still be visible when the doors are open

WELCOME TO THE LATEST EDITION OF LIFE IN THE VINE.

Have you ever seen a closed door and have the desire for it to open? Maybe you know roughly what happens behind it and would love to get a view or you assume that opening that door will reveal the results of your searching or plans for the future. Sometimes in life we struggle along wishing to know more about what is happening or answers to be revealed somehow from behind that “door”. Romans 8:28 reminds us:

We know that in everything God works for the good of those who love him.

They are the people he called, because that was his plan.

Even with all that is happening around us - war, disasters, COVID - many good things are happening for our community as we put our trust in His plans. In this LITV edition, we open our “doors” and invite you in to see these plans in motion.

Through this “door” we introduce our new Children and Family Ministry Leader, we share and celebrate results and activities through the Church and School and reveal new plans for some of our ministries. We also let you explore some of the individuals and groups who use our facilities, and extend invitations for you to join us through our “doors” in Bible Studies, fishing, upcoming Easter services and more. Opening our “doors” allows everyone to see, that in our community, great things are happening in all we try and do. This is not from our own doing but from God's plan. Maybe sometimes we can't see behind a closed door, but we should remember to trust His plans always. May God bless you this Easter, stay safe and happy reading.

PASTOR GREG SHARES

BY PASTOR GREG FOWLER

God's Nature

In everything God works for the good of those who love him.

Romans 8:28

When I was about 12 I asked my dad for a new 'racing' bike. I had outgrown my current bike and wanted the latest style; one that my friends had. Dad got to work looking in the newspaper ads for a second-hand bike. I didn't see the love in dad getting me a used bike. When we collected the bike I was shocked! It was rusty, had missing parts and wasn't the latest model. I really didn't see any love in dad's actions. Over the next few weeks we restored that bike, together. When it was finished it was beautiful and just what I wanted. The hours dad and I spent together were amazing and I still treasure them. I have never felt more loved as I got to know my dad so much better we created stuff together. At every step dad was loving me and working for my good, it just took me a while to recognise it.

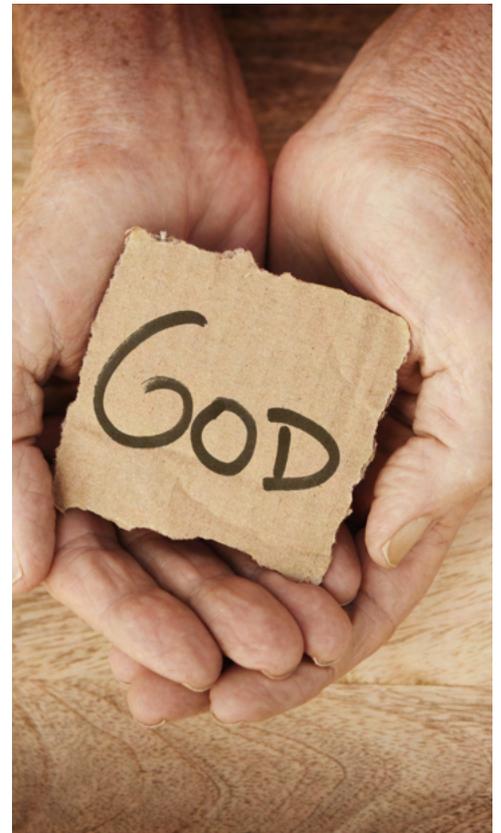

**"...it was beautiful
and just what I
wanted."**

Whenever things don't go according to my plan I think back on how my dad had a better plan and I see God's promise that he works for good in all circumstances. Just like dad knew that a 12 year old boy needed to see his father differently as he moved to adolescence, God knows that we need to see the depth of his love and character in changing times. If things always remained the same we would not discover new things about ourselves and about our relationship with God. As we mature we realise that change is the one constant in life. We become fulfilled when we embrace change and we're eager to see how God will reveal himself afresh to us. When we engage new situations and challenges, confident that God is with us, we get a more rounded appreciation of God's nature and how his love is expressed.

These last few years have seen many challenges confront our community. At every stage, God has given us revelation and the confidence to engage with those challenges to find ways to work with our Lord in his mission. Our ministries have responded powerfully with new ways to be agents for Jesus. We have changed programs, times, the ways we deliver ministries and we have adopted new technology. At every turn we have seen the grace and love of God. We have seen how Jesus wants us to 'be in the world' using new techniques and media. As this journey continues we wait for God to show us more of his nature in our changing times.

**“At every turn we
have seen the grace
and love of God.”**

HIGHLIGHTS FROM CHURCH COUNCIL

BY JON SCHUTZ
GGLC CHAIRPERSON

Have you ever had someone walk in through your front door, kick over your pot plants and then occupy your living room while using up your Netflix bandwidth leaving you to cower in your bedroom for two years waiting for the unsavoury guest to make an exit? Well, me neither, but that seems analogous to how COVID-19 has treated us all. It is looking like said guest is now starting to have trouble finding anything new and interesting to watch on said streaming channel so might leave sometime soon. With the recent rounds of relaxations of restrictions, mask-wearing stands as the last bastion of the impositions we have seen on worship and other church activities and in a mixed metaphor kind of way, we can see light at the end of the tunnel.

There may be a few calamities waiting in the wings to fill the anticipated void when COVID-19 subsides — Japanese encephalitis and the Ukraine War are leading the pack — but let us continue to pray that the world can return to relative peace and to a semblance of what we remember as normal, in the not-distant future.

Meanwhile, Church Council has carried on with the business of governance as best we can, although a significant amount of time has had to be invested in working through vaccination and other COVID-19-related matters. Financial matters, staffing, property and strategic planning would be the other main areas of focus in recent times:

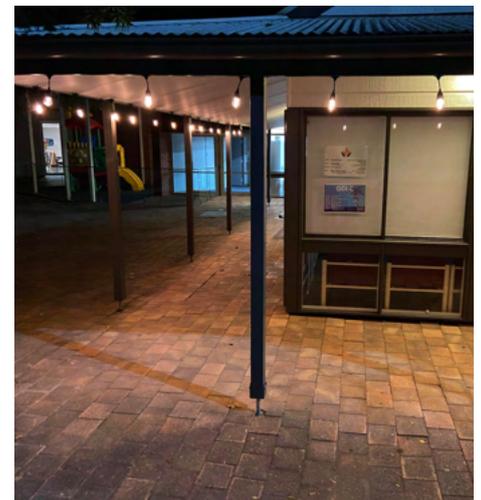

- The unaudited surplus for the 2021 financial year is \$4275, which is helpful in offsetting the budget deficit planned for this year (\$5655). Full details will follow at the AGM in May.
- With Lauren starting as Children and Family Ministry Leader, change is afoot — new formats, new names, new tech — the article by Lauren and Joel contains all of the details. We are excited to see where these changes will lead.
- We are pleased to be one of the recipients of an LLL 100 Year Anniversary Grant, which are grants for the purpose “to bring together your congregation’s community in the name of the LLL’s 100 year anniversary of serving the Lutheran Church of Australia”. “We didn’t even know there was a church here” is a phrase we hear regrettably often from our community, so we plan to use the grant to make some more prominent signage for the church and Café Connect, hopefully putting our presence in Wynn Vale beyond any doubt.

- We are also considering the possibility of adding a pedestrian gate on the corner of Richardson Drive and Sunnybrook Drive, to make access to the church and cafe a little more obvious to passers-by. A small part of the car park will have to be appropriated to make room for some steps and a new pedestrian path.
- On other property matters, some of you may have noticed a new refrigerator in the Fellowship Centre kitchen, the new coats of paint in the Fellowship Centre and particularly around the windows, and some new grass and paving at the manse. Thanks Roger!
- The youth have also been busy, upgrading the carpet in the youth area and some outside lighting.
- I have mentioned Strategic Planning on a number of occasions over the last few years. In one sense, it is something that a governing body is doing constantly, but in this case we have been working specifically to revisit all of our Mission, Vision and Values statements and planning objectives as a whole, in a process that started in late 2017 but has had one or two interruptions. Starting with our next meeting in late March, Allen Kupke - with his significant experience in corporate leadership - will be joining our Church Council meetings as a Consultant to help lead us through the remaining parts of the process.

“...let us continue to pray that the world can return to relative peace and to a semblance of what we remember as normal...”

GOLDEN GROVE LUTHERAN PRIMARY SCHOOL

Foundation-Year 6 · Year 12 in partnership with Endeavour College

NEWS FROM GGLPS

BY WILL WALLACE
PRINCIPAL

We have enjoyed a positive start to the school year with students enjoying their learning and settling in well to their new classes. We are thankful to Genevieve Freund for her years of service to our School Board, most recently as School Board chair, and to Tammie Switala for stepping into this role. It was a pleasure to be joined by Tony Zappia and Blair Boyer last Sunday (March 20) for the installation of Tammie as our incoming Board Chair, Linden Huxtable as one of our new Board members, and for our new staff - Kylie Chinca (Reception and Enrolments Officer), Melissa Bishop (Teacher of Japanese), Naomi Ali (Teacher of Music), Melissa Emmett (Year 5/6 teacher) and Evie Donoghue (School Counsellor).

Despite the impact of COVID we have enjoyed a number of events and we are thankful to our P & F Association for their support of many of these including pancakes for Shrove Tuesday, hot cross buns for Middle of Term Breakfast and orange donuts for Harmony Day. We also have two 3D printers installed, along with a range of science equipment that the P & F have kindly donated to the school which will enable the children to design, engineer and create a range of items and will be a great supplement to our curriculum.

Harmony Day proved to be a key highlight of the term thus far, with the children (and staff!) rejoicing in the opportunity to celebrate and share their traditional cultures, foods and dress. We enjoyed a Harmony Day parade on the oval which also include a special Chapel Service with a focus on the Harmony theme and the installation of our student leaders for this year.

“...we have enjoyed a number of events and we are thankful to our P & F Association for their support...”

Our students have also enjoyed a special Dance workshop, arranged by our Music Teacher, Mrs Naomi Ali, and our student leaders were able to participate in an online leadership seminar with Mr Sean Gordon OAM who recounted his experiences in leading the response to the Thredbo disaster and the founding of the School Aid charity to encourage philanthropy in primary school students, The leaders found Sean's presentation to be very motivating and inspiring.

Progress is continuing with our Buildings and Facilities Master Planning with a visit from the Block Grant Authority committee coming up later in March, following which we anticipate being advised of the funding we are likely to receive towards our next stages of building which include a new classroom and gymnasium.

We have continued to enjoy livestreamed Chapel services and assemblies this term, which have proven to be a positive way of helping our students and school families continue to be strongly engaged with our weekly worship services on a Friday morning, which are a hallmark of the strong sense of community that the school enjoys.

Turn the page for more installation photos

Last year GGLC produced a Christmas Eve play titled "A Hollywood Christmas". Thank you to everyone who helped and participated to create this extraordinary production. A special mention to Geordie Mills for the script, directing and acting!

MEET THE NEW CHILDREN AND FAMILY MINISTRY LEADER

Hi - My name is Lauren Neumann and I have been appointed as the Children and Family Ministry Leader at Golden Grove Lutheran Church. During this time, I will be leading Mainly Music on a Friday, Ignite on Friday afternoons and running Vine Kids on Sundays during the school terms.

I moved to the Northern suburbs from the McLaren Vale region 3 years ago and took up a teaching position at Golden Grove Lutheran School. Prior to this I was living and teaching overseas, firstly in London and then in Sharjah (United Arab Emirates). I originally come from Horsham where most of my family still live and grew up as part of the Holy Trinity Lutheran School and Church congregation.

My partner, Mark and I have 3 children; Georgia (11) and Evie (8) are my step daughters and we have 1 son, Riley (2). Together we enjoy camping, days at the beach, swimming and generally just having fun together. I enjoy spending time with the family at home and sitting down with a nice cup of tea and a good book (particularly Ken Follett novels). I also enjoy catching up with friends and meeting new people.

A favourite bible verse is from Ecclesiastes 3:1

For everything there is a season, a time for everything under heaven.

I feel as though God has provided different opportunities for all aspects of my growth, physically and spiritually, and that he has helped me understand that life will change and that it is ok to move with it. I believe this role came into my life a time when I needed a time for change. I am really excited to be taking on this new role and am excited about some of the new things we are bringing into the existing programs. I pray that God continues to bless me and the church as we encourage new families into our church and school

Blessings,

Lauren

NEW CHILDREN'S MINISTRIES

BY LAUREN NEUMANN AND
JOEL SCHILLER

Vine Kids

This year our Sunday program has taken on a new format. We have changed from Kids @ Heart to Vine Kids. Each week, the children from birth to year 6 are invited to come and join in with quiet activities at the front of the church before the children's message. Quite often there are children in the areas before church even begins. We often see Riley (my son) and Teddy (Pastor Greg's grandson) have a hello embrace when they see each other. What a joy to see the next generation so excited to be at church.

After the children's message, we go out the back for a story and activity. This term we have been exploring the life of Jesus between Christmas and his birth and the Easter story. This is to fill in the gaps to show that Jesus grew up and did lots of learning and teaching between being born and dying for our sins.

The activities that the children join in with are wide and varied. We have had some craft activities, but also had opportunities to explore and create through cooking, playdough, coloured rice and movement activities. We even got to make pancakes when looking at Shrove Tuesday and the beginning of Lent.

A highlight for me so far has been getting to know the children through these activities and being able to have lots of conversations about the life of Jesus. I especially enjoyed being able to look at the story of Jesus first miracle and experimenting with water changing colour.

Ignite Youth

Junior Youth has had a name change to Ignite Youth. Ignite is open for Foundations up to year 5s and starts at 3.45 and goes until 5pm on Fridays. We decided to move it to an earlier time slot as we felt it provided an opportunity for people to attend.

During the night we split into two groups, the Foundation to year 2s and the year 3-5s. This allows us to do some targeted games for the different age brackets. On occasions we will come back together and play some larger games.

Towards the end of the night, we have devotion in our different age brackets. The F-2s have a story time with Lauren Neumann and the year 3-5s have a look at scripture together with Pastor Greg.

A highlight so far has been the water night which we had down on the oval. We had various activities such as chalk paintings for the younger ones, and a sniper tag game with the older ones. We came together to play the sponge relay game where teams had to move as much water as they could from one bucket to the other. The team who had the most water in their bucket at the other end won!

We are both very much looking forward to the year ahead and where God takes these ministries.

“On occasions we will come back together and do some larger games.”

LIVE BIBLE STUDY

WITH PASTOR GREG AND JOEL SCHILLER

LIVE Bible Studies are back in 2022!

You may remember that towards the end of 2020 together we ran three Bible Studies on YouTube. We focused on a specific topic and allowed people at home to share their thoughts to a couple questions that was presented.

We have taken the same format and are doing it on a fortnightly basis this year.

The primary focus of us restarting this again is to allow our community to come together, and provide content for our Connect Groups. Connect Groups may wish to meet up when we do it live or play the recording later and use the questions for discussion within the group.

We are also open to anyone organising a group of people to come to the church and watch it together.

The studies are going to be broken up into series beginning with the book of Daniel. After this we will see where God leads us and we are open to suggestions or requests.

We are really excited to be back and look forward to you joining us for our next LIVE Bible Study.

YouTube Link:

www.youtube.com/ggclc_youtube

All previous episodes can be found under
Publications / Live Bible Study at:

www.ggclc.org.au

“The primary focus of us restarting this again is to allow our community to come together...”

PICNIC & PRAYERS IN THE PARK

On Sunday 27th March, Picnic & Prayers in the Park was held again at Harry Bowey Reserve, Salisbury Park. The event started with games, then a BBQ dinner, finishing off with an evening service. Thankyou to everyone who helped, especially Salt Factory Band for leading us in music.

WHAT IS HAPPENING BEHIND THOSE DOORS?

In this edition, we introduce some individuals and groups who regularly hire our facilities for outside of Church or School purposes. Please feel free to contact them for more information of their group or services.

CLOSE to my HEART®

Independent Consultant

We all need to have “me time” and do something for ourselves.

My name is Claire Rathjen and I have been part of the GGLC and GGLPS community for many years and my “me time” is paper crafting.

I hold all-day paper crafting workshops focusing on scrapbooking and cardmaking once a month on a Saturday, from 10am to 4pm in the Fellowship centre.

It’s a time we spend documenting our memories for future generations, making cards for loved ones and having some fun with likeminded people

If this is something that interests you, please leave your details with Robert at the Church office or you can find me on Facebook, I would love to hear from you.

Facebook: Claire Rathjen Close to My Heart Consultant

Champ Programs

For over 20 years we’ve been administering the Lutheran Income Protection Plan (LIPP) and for about 8 years we’ve been providing Health Insurance cover for Lutheran Church and School employees. Most recently we’ve been implementing our Employee Wellness, Support and Development Program for staff of schools across Australia (with a focus at the moment on Lutheran Schools, having worked with them for over 20 years).

After running the business from our home office for some years, it was suggested that the Youth Office was only being used by Joel on Fridays and it might be good for me to work there Monday to Thursday. Apart from being a far more professional setting for business meetings (and getting me out of “Liz’s house” since her retirement!) there have been several other mutual benefits in this arrangement:

- Greg and/or Robert and I have been able to have lots of brief catch ups where we can check on each other’s wellbeing
- Greg and I have been able to discuss Pastoral Care Team issues more easily without taking time out from each other’s work routine
- I get to hear so much laughter (and high-pitched screaming?!) from two school yards!
- Best of all of course is the easy access to Café Connect!

- Ice-cold caramel milk shakes on a hot summer day

- Hot Chocolate on a freezing cold winter day

Given all of the above, I would have to agree that “...God works for the good of those who love him”.

Dave Shrowder
Coordinator

INTEGRITY JIUJITSU

My name is Dominique Liddle and I run Brazilian jiu-jitsu classes at GGLC with my partner Bochere Rand.

I have been running classes through the church and school for 8 years now. We were lucky enough to start off in Golden Time, largely thanks to Darryl Trigg and Luke. During my 13 year journey I have seen first-hand the positive changes it has provided to both adults and children and I can't recommend it enough!

Brazilian jiu-jitsu teaches you to think, how to use technique and timing to overcome strength and aggression. It teaches you to solve problems with your brain and not your fists. Along with this it teaches the traditional values of respect, humility, patience, dedication, responsibility and team work.

It gives children confidence, empathy, good work ethic and improves their fitness. Both my daughters have been training since they were 5 and love it. It has provided them both with an inner strength that I am grateful for – especially as they head into their teenage years!

If you are interested in your child participating please contact us to arrange a trial class, we would love to have you!

Email: integritypt@gmail.com

What are You doing now? - Allyson Dutschke

I have been asked this question multiple times since leaving early childhood lecturing with TAFE SA at the end of 2019. After a couple of years working out what I did want to do, I have recently begun running my own business as a Child Protection Trainer and Child Safe Organisation consultant (and I even built myself a website):

Website: <https://allysondutschkechildprotection.squarespace.com>

As some will be aware, I have been training in the Child Protection field since 2008. Currently, I deliver a number of different training courses – including the Dept. for Education Responding to Risks of Harm, Abuse & Neglect in Education and Care (RRHAN-EC) 4-hour Masterclass, and also the DHS Child Safe Environments – Through their Eyes, 7hr training. Each week, I'm delivering at least one of these courses – sometimes face-to-face, but increasingly online. I certainly appreciate having the opportunity to base my face-to-face classes in the Fellowship Centre – with access to a convenient location, car parking and great facilities; while also still learning about operating a small business (without it taking over my life).

As for the rest of the week, you'll see me fortnightly, volunteering at the Café, and (after 10 yrs!) still leading one of the Sunday morning worship bands. Oh, and in my (spare) time, working on my PhD in Education, through Adelaide Uni – although the research is done, the job of writing it all up continues. Now – with the borders open again – Daniel and I hope to travel again to more places across Australia. So, what is God's plan for me - I'm still finding that I need to stop, step back from my ideas, and listen to His direction. Each day, each step, is guided by His hand. I know He won't let me stumble and fall, but He's certainly taken me along some paths I did not expect (and I'm sure there are more adventures to come!).

Are people listening to your message?

Do you ever wish you had better communication skills? You are not alone. A survey on the topic shows people fear speaking in front of a group more than financial failure or even death! Like most things we learn to communicate affectively by doing, practising in a friendly atmosphere and by receiving individual constructive feedback by an experienced individual.

Is it important to have good communication skills? It certainly is, even more so with the evolution of electronic communication which seems to be taking over our lives. Sadly, we are becoming less and less able to communicate effectively on a face-to-face basis.

Having good communication skills is invaluable in all aspects of our life; job centred, relationships, and spiritual. The ability to get your message across is essential. No matter how clever you are, your opinions and knowledge tend to be wasted unless you can get your message across to others.

You could improve your communication skills by enrolling in a very expensive high-pressure course. It may work, at least initially, but unless you keep practising you are unlikely to maintain the level of proficiency you are looking for. A far better option is to join a club specialising in helping you develop communication and meeting skills such as chairing meetings, taking minutes and generally participating in meetings. All of these things can be taught in a friendly, non-threatening environment.

You don't have to travel far to find exactly the help you need to develop these skills. On the first and third Tuesday of each month 'Rostrum Club 20' meets at the Lutheran Fellowship Centre at Wynn Vale. Meetings start at 7.30pm sharp and conclude around 9.30pm.

You would be very welcome to come along as a visitor and see how our club works. You can be assured of a stimulating, entertaining, non-threatening experience. You won't even be asked to participate at that meeting unless you particularly wish to. Should you eventually decide to join us membership is extremely affordable.

Rostrum 20 has a long association with the Church/School having been a hirer of your excellent facilities for many years. We are thankful to the late Ken Campbell, who was a founding member of our club, a member of your church and hard-working school volunteer. Ken was an amazing person who went out of his way to assist others. Ken was able to guide us in accessing your facilities.

In memory of Ken, we have decided to hold an annual 'Short Notice Speech Competition' in his honour, the first running of the event will be on April 5th. If you would like to visit on that night, or indeed any other meeting night just ring

Heather Layton on 0421 097 460 or email: saclub20@rostrum.com.au

Members of Rostrum Club 20 look forward to meeting you soon and helping you develop those extremely important communication skills.

Ron Johnson, Secretary, Rostrum 20

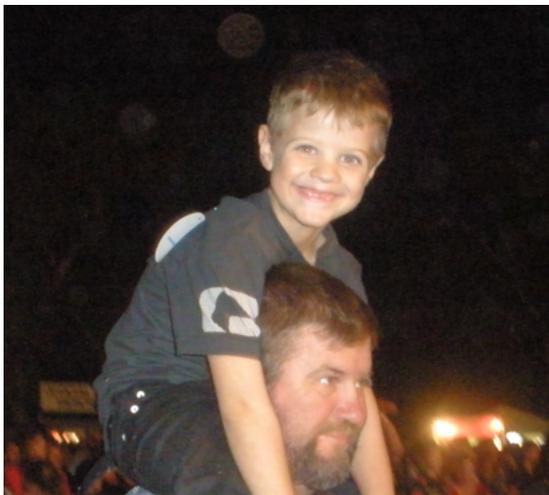

Ken Campbell

A TIME TO REMEMBER...

BY ALLYSON DUTSCHKE

“May God give them all strength and comfort, as they understand God’s purpose and plan at this difficult time.”

Those who have been a part of the Golden Grove community for some time may recall the Bussenschutt family, who worshipped here 12-15 years ago. After moving from the area, Melissa’s initial foot amputation, and their marriage breaking-down, Melissa and the children, Madelen and Kaleb, relocated to the Gold Coast to begin a new life. The family then settled into school, work and life in their new home and location.

Fast forward to 2021... Melissa has re-married, Madelen has finished school and is working, and Kaleb had left school and was finding his feet – heading towards the challenge that is adult-life.

So, it came as a great shock when Kaleb was tragically killed in a single car accident, while driving home in the very early hours of October 28, 2021, on the Gold Coast hinterland.

Please keep Melissa and Fred, Madelen, and Scott and Donna (here in Adelaide), in your prayers as they struggle to face each day without Kaleb’s cheeky grin and loving nature. May God give them all strength and comfort, as they understand God’s purpose and plan at this difficult time.

TIGHT LINES

GOLDEN GROVE AMATEUR FISHING

Mission Statement: Giving all people opportunities to fish in a Christ centred environment

During 2 years of challenges with Covid GGAF has been blessed to maintain member numbers and reach out to the community through ongoing outdoor events. Therefore the “wheels keep spinning” or in GGAF terms “the rods keep casting”.

ANNUAL GENERAL MEETING – 13th February 2022

Following tabling of reports from the President and Treasurer the following members were elected to the Committee this year:

President – Graeme Hoklas

Vice President – Peter Van Loggem

Secretary – Christine McCulloch

Treasurer – Chris Simanis

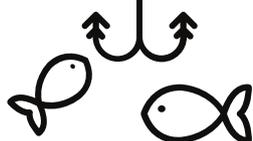

Other Committee Members – Ian Zimmermann, Geoff Hill, Peter Van Loggem, Keith Scott and Mark Caldicott.

Louise Sumner has stepped down from the Committee after serving 15 years, the last 9 as Vice President. Louise has been a very dedicated and active member of the Committee and we are thankful for her efforts over this long period. We also thank Amelia Sumner for her service last year as she has also stepped down from the Committee.

Congratulations to Peter Van Loggem for accepting the position of Vice President and Mark Caldicott for accepting nomination to join the Committee.

Annual Membership:

Seniors remains at \$20 Juniors (under 16 yrs) \$5

Eric Catches a Blue Swimmer

Freshly Cooked Crabs

Zeke Measures Cockle

EVENTS PROGRAM for 2021

New to the program this year are Ramco on the River Murray, Moonta Bay on Yorke Peninsula and Beachport in the South East for the midyear trip. We return to Kingston-On-Murray Caravan Park for the annual camp in October.

CRABBING at WEBB BEACH - 19th February

29 crabbers were attracted to Webb Beach on a sunny day with a slight wind. Whilst most crabs encountered were below legal size a total of 39 legal crabs were raked and cooked in Zimmo's gas copper and enjoyed by all. Many thanks to Zimmo and Ruth for arranging a savoury platter and watermelon for all to enjoy. Largest crab winners were: Seniors: Male Crab – Peter Van Loggem & Female Crab – Michael Woodley Juniors: Male Crab – Jimmy Cooper & Female Crab – Frank Cooper.

COCKLING at GOOLWA BEACH - 12th March

32 members, family and friends travelled to Goolwa Beach on a perfect day for cockling. Good hauls were gathered by cocklers both to the right and to the left (4 wheel drive only) of the car park with many collecting over 200 cockles. GGAF provided a BBQ sausage sizzle lunch at the Oatey holiday shack not far from the beach. A big thank you to Michael and Robyn Oatey for their excellent hospitality.
