Hello dear friends,

This humble letter is to 'thank you' all our dear friends at Golden Grove for your kind hospitality to us when we visited Golden Grove. You all are among the best people, citizens of heaven and godly people, heaven is yours.

Our sincere gratitude and thanks to our hosts. You've fed us very well. More than what we are used to. Greatly appreciated: Damiel & Allyson Dutschke, Rosalie & Graeme Hoklas, Judith & Tom Whaites, Ray & Sue Schillabeer. Also thanks to Ken Tscharke, Dorothy & Gary Quick, mark & Jenny Rawolle, Robert & Leslie Friedrich for your time and driving us around. We enjoyed every ride.

Some of the schools we visited were very different to ours. We learned a lot. The principals set aside some time for us despite their busy schedule and showed us around and provided refreshments for us. Thank you very much to these schools; principals and teaching staff. You are the best. Golden Grove Lutheran primary principal & the teachers; Faith Lutheran secondary college; Good Shepherd Para Vista primary; Endeavour college; Immanuel primary. Thanks, Daryl, for the special lunch at a special location. Thanks to the Lutheran head office visitation where our history was kept. Thank you so much everyone. You are the best.

Adelaide has some of the great farms. We had the privileges of visiting some of them. Thanks to those who showed us around and told us how things are done. Especially to David Heinze; Paul & Leslie Friedrich and others. We've heard of Barossa valley and saw it for ourselves – that is a memory we will keep.

We are not forgetting others who behind the scenes provided us with food, gifts, money for visit, prayer and support. Very important toward our visit, whoever you are, kind souls – thank you. **1 Corinthians 15:58, "So my dear brothers and sisters, be strong always and immovable. Always work enthusiastically for the Lord, for you know that nothing you do for the Lord is ever useless". (NLT).**

We've been taken to some of the most interesting places in Adelaide like the wildlife, your highest mountain Mt. Lofty, market, city and parks. Great places, good & well-kept and maintained country, kind & beautiful people.

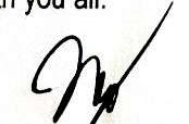

Finally, dear friends may our heavenly Father continue to keep and bless you all. We miss you and Lord willing shall meet another time in Papua New Guinea or Adelaide; but if we fail to meet again in these two places we shall surely meet again in our eternal home with our Eternal Father.

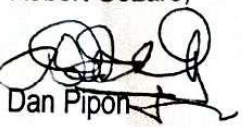

Keep going – God is with you all.

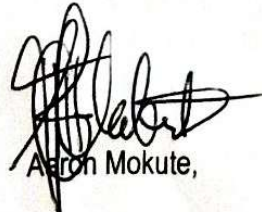

Sincerely,
