4th July 2010—6th Sunday after Pentecost

WELCOME to all worshipping with us today

Greetings to any visitors here with us. We are pleased to have you join us and we trust you have felt welcomed and pray the Holy Spirit may enlighten and empower us with the message shared with us today.

Tea & coffee is available in the Fellowship Centre following morning service.

Please feel welcome to join us.

TWO MINUTES

Our names are written in heaven.

However, do not rejoice that the spirits submit to you, but rejoice that your names are written in the heaven." Luke 10:20

The seventy two had just come back from their mission trip and they were justifiably excited. They had healed the sick and could report: "Lord even the demons submit to us in your name" (verse 17). They had trusted Jesus and he came through, again.

But Jesus had to remind them that there is something deeper which they could rejoice over: that they had a place in heaven/ they belonged to God/ God loved them and they were special to him.

I too get excited about the things I see God doing through us in Jesus' name. Really, there is nothing wrong with that. We trust in Jesus and he comes through. But what is more important is who we are or whose we are- what he has done for us in writing our names in heaven.

Today we are starting the third part of our series "Grow in faith"- through the community. Like the seventy two we are a community through which God works. But what is more important than the things God does through us is what God gives us: that close relationship with him, which he strengthens and revitalizes this morning as we gather in his name.

Prayer: Thank you, Lord for all that you are doing through us. Thank you too, for what you are giving us – that our names are written in heaven- so who we are in you: a community of believers. Give us a deeper faith that we may base our joy more on what we believe than what we see or experience. Amen.

Family Friendly Worship

At Golden Grove, we love **everybody** to be involved in worship.

Please encourage children and visitors to join in the singing and prayers, and to stand and sit at appropriate times when they are able. This is best done by leading by example!

For our 'little ones' - Quiet bags & busy books are available for worship time from the children's area inside the church.

The "Kids at Heart" team run a **QUIET** craft table during the sermon. That way, the children have some time with their parents during the morning services, and also a little bit of time to be creative, to wriggle around and to learn about our God and what He means to us through artistic activities, with their friends. All children are welcome to join in this time. It is not appropriate for unattended children to play in the foyer at any time during the

service. Please ask an usher if you require assistance, or speak to a "Ministry Leader" if you would like to help young families during worship times.

Thank you for worshipping with us!

Pastor's Column

Today we begin the next step of our series: *Grow in Faith* with **Grow in faith in the community**. The text I have chosen is that beautiful description of the community in the early church (from Acts 2:42-47) *They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. Everyone was filled with awe at the many wonders and signs performed by the apostles. All the believers were together and had everything in common. They sold property and possessions to give to anyone who had need. Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.* We'll be considering how our spiritual community is: Sacramental: based on Baptism, nourished through Holy Communion, Church - fellowship and an expression of servanthood, a place of forgiveness, hope and worship. All of these are expressions of faith and through which we grow in our faith.

Next Sunday our ALC student, James Leach will be leading the service. The address for that week is based on **Matthew 6:24-34**. How do you handle worry?

During this series we have a **special focus each month**. In **May** it was telling us "*your spiritual habits*" in regard to Bible reading; in **June** it was "*how God has answered your prayers*" and now in **July** our foci are the *Day Pay Challenge* which we are launching on the last Sunday of the month and the *Prayer Vigil* on the last day of the month.

Speaking about the **Prayer Vigil**. It is 24 hours where our church building will be open (supervised of course) and you are encouraged to come and spend at least a half an hour in prayer for the life of the congregation. The Worship Centre, Prayer Garden, Fellowship Centre and Fellowship Lounge have been set aside for this purpose. There will be resources available and most times there will be people to pray with if you don't like to pray on your own. Put your name down on the schedule now.

I shall be away for 2 weeks annual leave. This is part of the annual leave that I didn't take in 2008.

Working Bee Thanks

The working Bee last Saturday was really successful with a lot being achieved. Sincere thanks to everyone who came along and helped out. (Extra special thanks to those who supplied the yummy morning tea.)

Car park Capers

The exit to the GGLF/GGLPS car park will be shut over the next two weeks as site works related to the building program take place. This will mean entering and exiting through the same place, so we ask people to be especially careful during this time.

Crabs in church?

No. No crabs in church, but we are appealing to you to 'fill the crab net up' with items that will be used in a fundraising competition at the fishing fete. The Crab net will be up each Sunday until the fete, (but will be tucked away during the week!)

KIDS AT HEART

The new roster for craft and Kids at Heart time is being prepared for the next 6 months. If any parents or others would like to run a craft session or occasionally be involved in Kids at Heart time, please contact Lesley.

Today there will be a quiet craft activity run by Leanne (Solomou). For visitors: new children are always welcome to join in! A craft activity follows the children's address and song. It is held in the kids area at the back of the church. Parents may like to assist little ones at first. We are grateful to our older children who support and encourage the little ones as well. Communication by quiet whispers is encouraged. :-)

Craft and Kids at Heart time will still be run over the school holidays. The next Kids at Heart time will be held on July 11th. (The middle weekend.) The leader will be Rosalie Hoklas and the theme will be Noah's ark.

Children may like to know that we have provided some new mazes, word puzzles, dot to dots, bible puzzles etc. for you to enjoy. They may be found on top of the kids storage unit, otherwise they will be in the compartment next to the pencils. If you have any more puzzles that you would like to share with your friends, please do bring them in!

Church Heating

A resolution from the AGM was that we proceed with installing 'radiant heating' once the church appeal receives another \$3500.

So.....if you are feeling a bit chilly in church this morning.... DIG DEEP! We're half way there ! (And there's more winter to come!)

Member news update

For the information of members we advise that Kay Gerhardy has recently transferred membership to St Peter's, Keyneton. We wish Kay every blessing in her new spiritual home.
