8th March 2020—2nd Sunday in Lent

Greetings to any visitors. We are pleased to be together and trust you have felt welcomed. May we all be encouraged and strengthened in our faith through the Word of God.

A New Start

Jesus replied, "Very truly I tell you, no one can see the kingdom of God unless they are born again. John 3:3"

Nicodemus knew there was something special about Jesus. He knew that Jesus was doing something big and something new, and he wanted to be part of it. Nicodemus had it all: he was a leading teacher and a member of the ruling council. He had status, authority and material success. But he hungered for what Jesus was offering.

He comes to Jesus and doesn't directly ask Jesus for anything; he just acknowledges Jesus' wisdom and Godly authority. But Jesus knew Nicodemus' heart and immediately engaged him in the things that were on his heart. He knew that Nicodemus felt isolated from God even though he had climbed every mountain and achieved every task required by a faithful believer. So Jesus tells him that he must be born again. He gives voice to the need Nicodemus had for a new start.

By being born again, Jesus is inviting Nicodemus, and us, to do more than believe and stick to the rules. He is inviting us to know the Father's heart and to experience the love and peace that comes from closeness to God. Neither Nicodemus nor us can find that loving experience through knowledge. It comes from heartfelt engagement with His word. In Lent, we have the chance of a new start, an opportunity to savour God's word and allow His Holy Spirit to be at work.

Bible study "Glory of God" and "how to move in the miraculous" followed by prayer

Wednesday 11th March - 7.00pm

(2nd Wednesday of each month)

at Paul & Nadia Napier House

(77 Ilford Street Vale Park)

Format: 7pm Worship followed by cuppa 7.30pm

Bible Study to begin at 7.45pm

From Paul Napier:

"This study is about the "Glory of God", and how to move in the miraculous, God has shown me through the teaching from Dr David Herzog that we have been touching the glory and that's when we have seen the greatest miracles, without me even realising I was in this realm. Even though we have seen two glory clouds turn up in our meetings and many signs and wonders. I enrolled in Dr David Herzog on line course where he has been teaching on the Glory of God, we will be teaching from his lectures as we watch him and then go over what he has to offer with his notes. And this has been a real eye opener as we move into the next realm, The Glory of God.

**Review of the LCA/NZ Constitution - Phase 1
Guiding Principles for a 21st Century LCA/NZ*****A message to all members, bodies and agencies of the Lutheran Church of Australia and New Zealand***

On behalf of our General Synod, the General Church Board is conducting a Review of the LCA/NZ Constitution, as we seek to be faithful to Christ, live the gospel and thrive in this 21st century.

The board is pleased to invite you to participate in the Review through telling the reviewers what you think needs to change, or alternatively does not need to change, in the LCA/NZ Constitution.

The survey will remain open until 30 April 2020.

Individuals may also complete the survey.

Important notes:

1. This Review, and therefore this survey, is only about matters relating directly to the LCA/NZ Constitution. If your responses comment on other issues, the reviewers will be unable to respond to them, but will do their best to refer them on to the relevant persons.
2. Individuals will only be able to complete the survey once. If you are the representative of a district, agency, board, committee or congregation AND you also want to complete the survey separately as an individual, you will need to ask another member of the agency, board or congregation etc to complete the survey on that group's behalf.

'Constitutional Review Discussion Starter' paper. This paper intentionally takes an 'arm's length' and critical look at our Church, examining where we may be in relation to the societies in which we minister. The paper also lists a number of key issues for us to consider in this Review and, finally, it lists the substantive questions that you will find when you access the electronic survey. This way you know in advance what the survey questions are. The paper is in part provocative in order to stimulate widespread discussion about this Review.

Please read and reflect on the 'Discussion Starter' paper before completing the survey.

To read or download the Discussion Starter paper, and to access the Survey, please visit:

<https://www.lca.org.au/projects-events/constitution-review/>

Once the survey responses have been analysed and aggregated, high-level results will be shared with you in a future communiqué, as well as in the future Review Report.

If you want to also make a separate written submission to this Review you are welcome to do so. Simply email your submission to

ConstitutionReview@lca.org.au

God's Power at Work at Golden Grove

Testimony Series

At Golden Grove we are blessed to have the prayer healing team which has multiple get togethers a month in Adelaide and the Barossa as well as the Healing Service at Salt Factory on the first Sunday of the month. The group has been led to create a testimony series entitled 'God's Power at Work at Golden Grove'.

Latest Testimony

Leanne Schiller

Leanne used to struggle with back pain, to the point where she would be brought to tears, as that is how painful it was.

That was until she discovered the healing power of Christ. When something wasn't quite right she received prayer and by the end of the day the pain was gone.
